Dear Proposer and Applicant,

Thank you for your interest in the Hillside Tennis Club!

Applicants must have a proposer and a seconder. We ask Proposers to take responsibility for completing the enclosed form. While the applicant candidate is likely able to fill out the first page of the form on his/her own, please help him/her to complete page 2 by taking the following steps:

1. Please contact and include the name and coordinates of the Seconder for the application. Please note that the Seconder, like the Proposer, must know the candidate, be a member in good standing for at least two (2) years and that the Seconder cannot be the spouse of the Proposer.
2. Please contact three (3) current members known to the applicant and ask if you may add their names and numbers in support of the candidate's application.
3. Please add the names of two (2) members from the Board of Directors who already know the prospective members. If the candidate does not know two Board members yet, please contact the administration who will arrange a meeting between the candidate and two directors to obtain their endorsement.
4. Return the completed form to the Club, either in person or by sending a scanned and signed copy of the form to anne@hillsidetennis.ca, and copy all five (5) members listed on the form.

Should you encounter difficulty in fulfilling the application criteria, please contact the Club. At the Board's discretion, assistance may be provided to complete the prospective member's application. Individuals who would like introductions will be referred to the Board for consideration.

What happens next?

The Board will review and vote on the application. Once accepted, the new member(s)' name is/ are posted for viewing by the Club members for seven (7) days.

After this step, an offer of membership is extended. The new member is contacted by the Club office to complete the remaining paperwork and to remit applicable fees.

With the completion of this final step, the candidate becomes a member of the Hillside and is entitled to all the benefits of membership.

Proposers are encouraged to bring new member(s) up to the Club to show them around and introduce them to the Management Team and Tennis Professionals.

Once again, thank you for sharing the camaraderie and beauty of our exceptional Club. As a Proposer, your willingness to act as an ambassador of the Hillside is greatly valued by us all.

Best regards,
Jasmin Uhthoff, President

Hillside is a true gem in central Montreal. Founded in 1925, the Hillside offers members a private summer tennis, social, and dining experience. Tucked discreetly under the forest of Westmount Mountain on Cote-des-Neiges, the club opens annually in May and closes at the end of October. Hillside shares its magic with members and guests, young and old from near and far, who can't believe they are in the middle of the city.

Day and night, players enjoy tennis on six meticulously maintained outdoor Har-Tru tennis courts. Tennis and social members revitalize among beautiful trees and mature gardens with the use of our private outdoor swimming pool and sunning deck and enjoy gastronomical delights and refreshments with our fully- licensed indoor and outdoor dining facilities. There is nothing like enjoying drinks and dining under the dappled sun filtering through the canopy of trees or under the evening starlight in this unique oasis. The Club offers private tennis coaching, clinics, and camps for seniors, intermediates, and juniors and a well-stocked sports shop.

Our enchanting ambiance, dynamic membership, affordable pricing, with no minimum spending charges, attractive wine list, and great cuisine make the Hillside like nowhere else!
